NOMINATE CAG'S 2009 "FRIEND OF THE GIFTED"

Who has made a major difference in your child's or students' lives during this school year? Is there a teacher or administrator or psychologist or superintendent in your district who has been unusually helpful or innovative or supportive of gifted children? What about a Board of Education member or parent advocate? We are looking for that person! Nominate him or her for the 2009 "Friend of the Gifted" Award. Each year CAG presents this award to someone who has made significant contributions to the lives of gifted children in CT. The award is given at the New England Conference on Gifted/Talented Education in October, where the other New England states present similar awards.

If you would like to nominate someone for this meaningful honor, please email the form below to info@ctgifted.org. Or mail it to CAG, P.O. Box 2598, Westport, CT 06880. The deadline is June 15, 2009. The CAG Board of Directors will select the awardee, and the winner will be notified by June 30. Thanks!
